MEMORANDUM FOR: Lieutenant General James A. Williams, USA
Director, Defense Intelligence Agency

SUBJECT: Review of FY 1986 GDIP External Research
and Analysis Proposals

1. Coincident with your recent note to Bob Gates commenting on the value of information exchanges, I am pleased to advise you that we have just completed a review of the FY 1986 GDIP contract proposals forwarded for comment by [redacted] DD/GDIP Staff.

2. Of the more than 60 comments made by DI analysts, a few referred to existing joint efforts, some identified CIA projects that may be useful to GDIP project managers, and a number cited duplicate (but necessary) projects. Most analysts expressed a strong desire for feedback on contract tasks, especially where parallel or complementary work is anticipated, and for copies of any products from the tasks.

3. Bob and I are pleased with this exchange and continue to encourage our managers and analysts to discuss research efforts with their counterparts.
